Go — Going —

Gone —

Wilson's students are continually on the go. Arriving at school in the morning they are immediately caught up in a whirlwind of active teen-agers. Dashing madly from A corridor to C corridor, they pass people who are going to the library, conference room, lunch room, infirmary, and to the office. GO! GO! GO! From one class to another, whether it be agriculture or physics, Wilson's students are always on the go.

Even after the final bell has rung, you still find the students of Wilson in action. Some are going home, others remain after school for extra activities.

Football games, basketball games, baseball games, and track meets keep the sports-minded on the go. After the games Hardee's becomes the scene.

Whether it be a regular Saturday night date for the movies, a big dance at school or a special date at the Rafter's, Wilson's students are on the go throughout the week-end, too.

This is just a brief glimpse of Wilson on the go. On the go is the theme of Wilson's 1967 edition of the Hornet's Nest. This year's annual has been set up to show the very active and on the go lives that Wilson students live. Throughout this book the 1967 Hornet's Nest staff has attempted to show the many different ways a Wilson student is on the go.

Miss Ramona B. Johnson

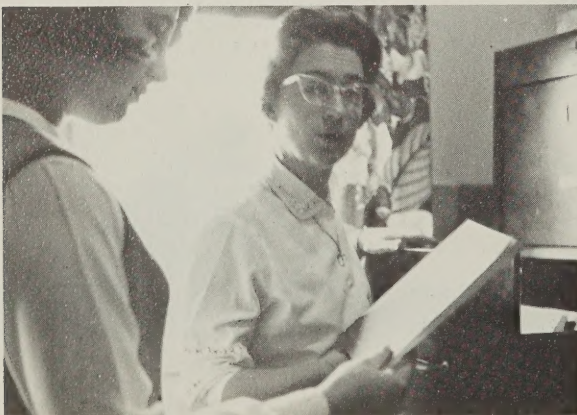

It is with a great sense of pride and warmth that the staff of the 1967 Hornet's Nest dedicates this year's issue to Miss Ramona B. Johnson.

Miss Johnson, who was born in Keewatin, Minnesota, attended R. L. Bowing High School. After graduating from high school, she entered Hibbing Jr. College and later attained her B. A. degree from Wheaton College. Because of interest in the present and her desire to do the best possible job, she has done graduate work at Radford, University of Virginia, and Madison.

Coming to Wilson in 1961, Miss Johnson has served as a classroom teacher, Weekday

Religious Education teacher, and as a guidance counselor. At present she teaches eighth grade English, Advanced Composition, and spends much of her time as a guidance counselor. Miss Johnson, who plays basketball, takes an active part in Wilson's forensics and is the co-sponsor of the F.T.A. She is often a spectator for many of Wilson's athletic events.

Miss Johnson has a sincere interest in Wilson's students and an earnest desire to help them. Her warm personality, friendly smile, and willingness to listen is greatly appreciated by the students of Wilson.

Hornet's Nest staff *on the go...*

In the 1967 edition of the Hornet's Nest, the Annual Staff presents to you, the students of Wilson Memorial High School, a cross section of the life of our students. The staff realizes that there are many things that make up a student's life at school. We hope that some of the things in the annual reflect the Wilson you know.

Yes, Wilson is made up of many things, people, and ideas. The teachers, subjects, hard work, sports, and clubs all add to our life at Wilson. But the two most important ingredients of a school are the faculty and the student body, and so to all the citizens of Wilson the Annual Staff proudly presents the 1967 edition of the Hornet's

Inter-Club Council

Left to Right: Sandra Fitzgerald, Beverley Wade, Barbara Elkins. **2nd Row:** John Davis, Gene Meek, Richard Stratton.

Association...

The main purpose of the Student Cooperative Association is to promote better understanding between the faculty and the students. It also encourages good citizenship and school spirit among the students.

This year the SCA has been particularly active in sponsoring the Christmas Dance, several record hops after the football games, a paper drive, and the candy store in the social center.

The leaders of this organization were the following students:

President	Billy Campbell
1st Veep	Buddy Bosserman
2nd Veep	Ann Stewart
Secretary	Fonda Campbell
Treasurer	Joe Wingard
Reporter	Candy Snider

National Honor Society...

To become a member of Wilson's most distinguished club, the National Honor Society, a junior or senior student is invited by the membership on the recommendation of the faculty. In December induction service was held for new members. An innovation this year was to invite Sophomores only after they had proven themselves on mid-term exams and semester averages.

The purpose of the NHS is to honor and encourage achievements by the members in the fields of scholarship, character, leadership, and service.

The NHS is sponsored by Mr. Hamilton. Its honorary members are Mr. Ausherman, Mrs. Spitzer, and Miss Dameron, who were members during their high school years.

The NHS participates in an exchange program with area high schools and sponsors the honor roll list each six weeks. This year the NHS proudly sponsored a scholarship program to aid one Senior boy and one Senior girl member, chosen to receive the honor by the Senior teachers, counselors, and the administration.

DEBBIE LANE Business Editor

The Annual Staff is a very hard working group. We are small in number, but large in quality of work turned out. This year's staff was made up of only 14 people. These people have worked hard and devoted much of their time and effort to producing an annual that will be well remembered and cherished by its owners.

Our main objective is to present a cross-section of faculty and student life. We try to present such various things as sports, clubs, awards, and general activities.

To obtain additional funds for the annual, we traveled to Staunton and Waynesboro to solicit advertisements from the merchants. Our annual sales reached a new high this year, surpassing the seven-hundred mark.

Mr. Newton and Mrs. Wiggins devoted many hours to aiding and advising us in publishing this edition. To them we extend many thanks.

The purpose of the Junior Classical League is to acquaint students with the early civilizations of Rome and Greece.

This year the Wilson Memorial Chapter of the JCL, under the direction of Mrs. Leola Thomas, spent a year of service to Latin in many ways.

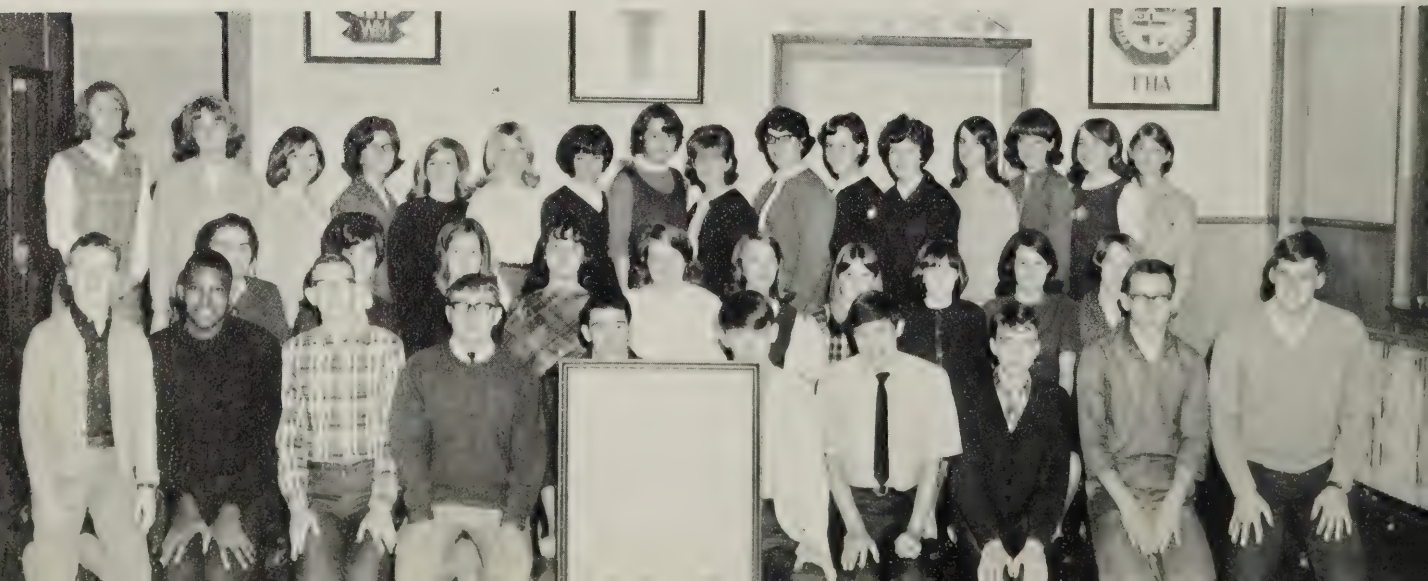

Early in the year the JCL sent delegates to the Virginia Junior Classical League Convention in Alexandria, Virginia. This year our chapter is especially proud of Becky Bibb, who ran for and was elected to the state office of secretary. Congratulations, Becky.

With the annual Roman Banquet in October all new members were sold as slaves and thus officially initiated. From April 3rd to 7th Latin students celebrated Latin Week. During this week, all Latin students saluted the fine Roman civilization by skits, and Mrs. Thomas saluted her students by not assigning homework. These activities along with monthly meetings made the JCL a most active and enjoyable organization.

The Science Club, one of Wilson's largest clubs, is sponsored by Mr. Driver and Mr. Ridgeway and all of the science faculty. Each faculty member sponsors one of the committees, whose chairmen are the club officers.

Along with its field trips to nearby companies, the science departments of colleges, and other points of interest, the Science Club plans to include at each meeting a film or a speaker in the field of science. Its chief project is sponsoring the Science Fair in March, whose winners compete in the County and District Science Fairs.

Each year students of all grades and interests join the Science Club. For this reason the club is growing in activities as well as members.

Wilson Choral Groups

Wilson's Choral Department is made up of Choral I, Choral II, Advanced Choir and the Glee Club. The Advanced Choir has increased from the small group of 35 to the large number of 68.

This department is designed to give all interested students an opportunity to sing many types of music. It teaches them to recognize good tone quality and intonation.

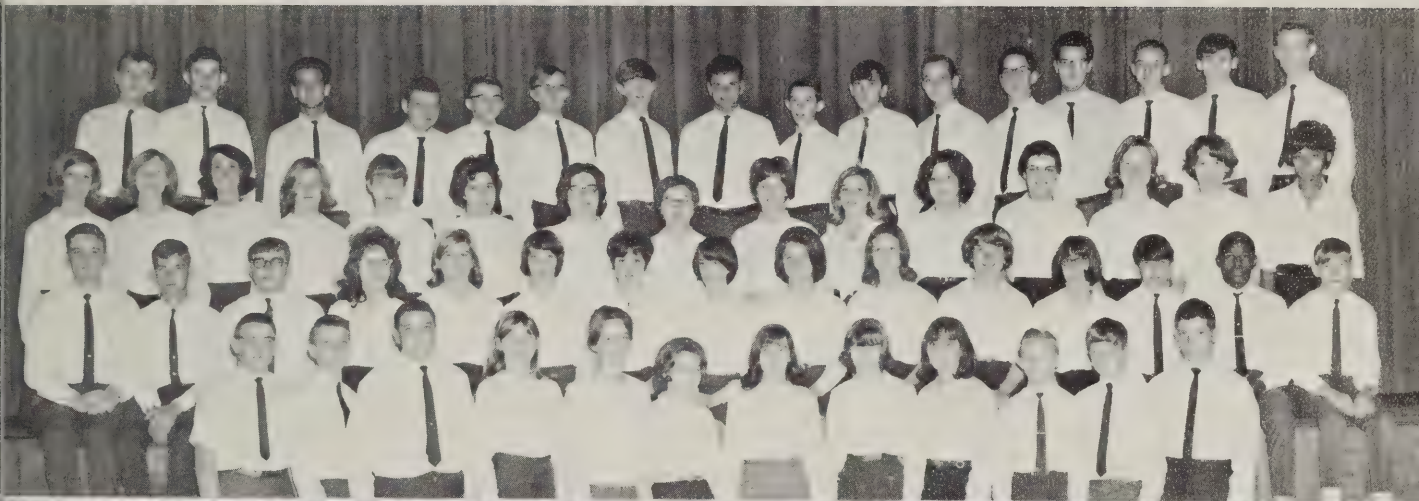

A new addition to the music department is the "Singing Sergeants," a small group selected from the advanced choir to perform in local community functions. They are under the direction of Mr. George Sergeant, who came to us from Lane High School in Charlottesville.

The Choral Department activities this year included the Spring Concert, District Choral Festival, All Regional Chorus, and participation in several school assemblies.

Concert and Marching Band

Drum Major
John Davis

Our high-stepping Green Hornet band began a busy year with peppy music at our rousing home football games. Next, the band won two first place prizes and one second place for its excellent performances at the local parades.

Not only did the band show its talent marching, it was also an outstanding concert band. Concerts this year included one at Christmas, one in the Spring and the District band festival held in Winchester.

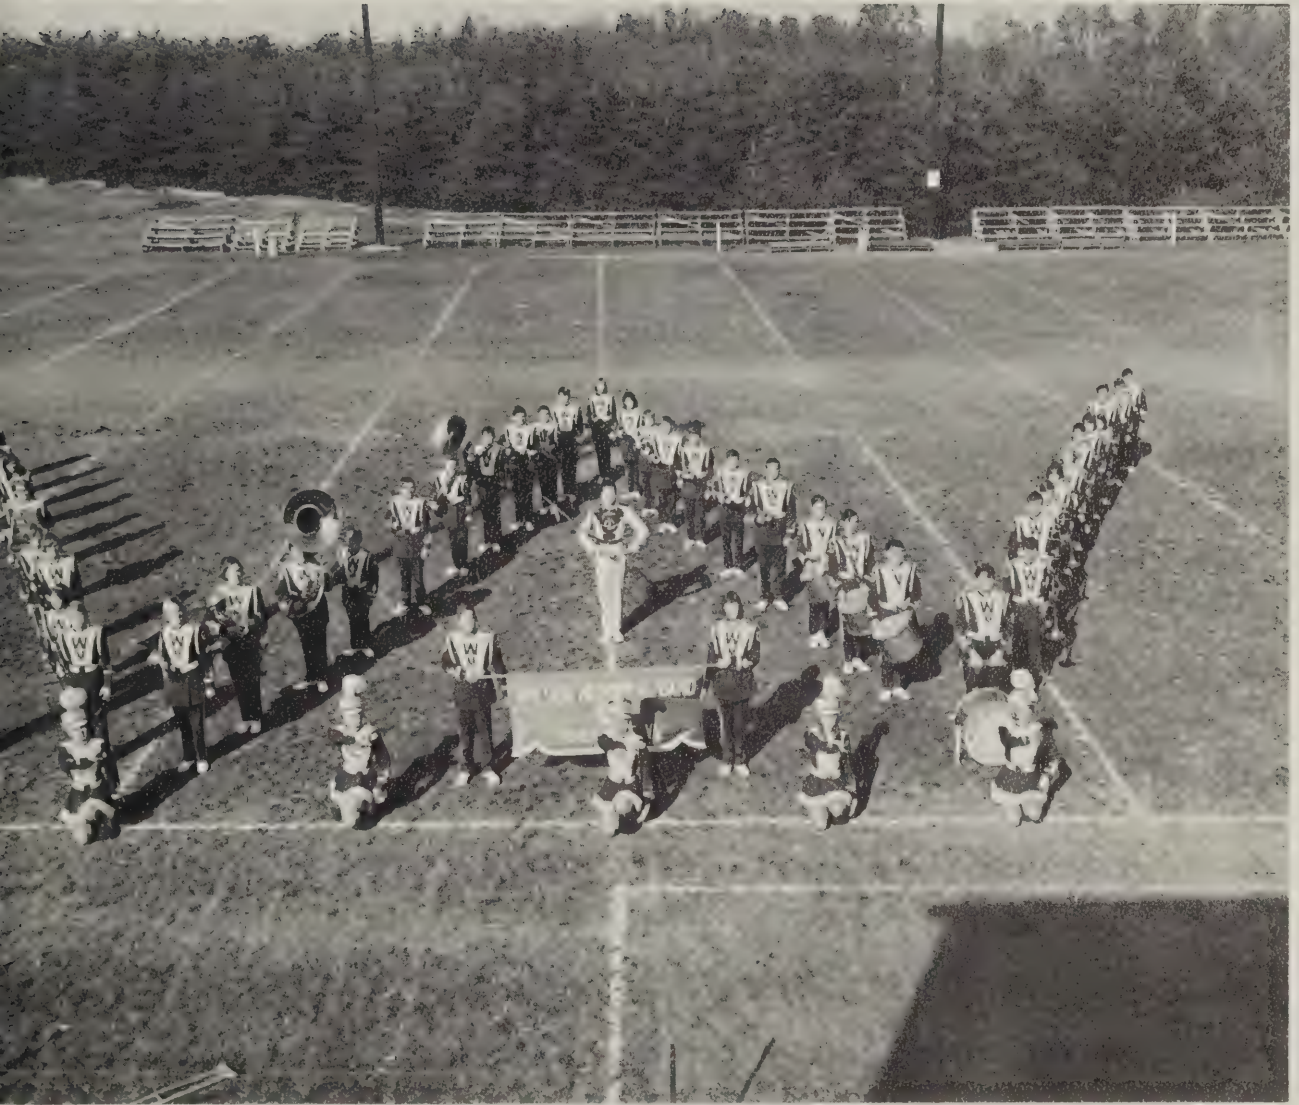

The band takes particular pride in John Davis, its great drum major, and its chosen members who did so well in All District Band, held at Riverheads, the Junior High Clinic, held at Buffalo Gap, and the Solo and Ensemble Festival, held in Amherst County.

Although the majority of the band is composed of relatively new members, it is constantly growing and improving as shown by its outstanding accomplishments of this year.

Band Director
Mr. W. A. Hill

Wilson Majorettes

The Wilson majorettes were quite active this year. They performed at the home football games and traveled to two away games. At the Homecoming game the majorettes entertained with a fire routine to the music of "A Taste of Honey." The Waynesboro United Fund Parade and the Waynesboro, Staunton, and Harrisonburg Christmas Parades featured the high-stepping Wilson Majorettes.

A week spent at a band camp in Hinton, West Va. prepared our majorettes for a successful school year. They were sponsored by Miss Nancy Armentrout.

Future Teachers of America...

The Future Teachers of America, sponsored by Miss Johnson and Mrs. Scott, definitely were on-the-go this year.

Activities included sending delegates to the FTA Convention in Roanoke, sponsoring a faculty tea, operating the book store, and observing teachers in the area elementary schools. For the first time in the history of our school, Wilson had a book exhibit. This project was sponsored by the FTA, who plans to set up a scholarship program with the profits.

The members of the FTA have a strong desire to enter the challenging and rewarding profession of teaching.

Under the sponsorship of Miss Pauline Dutton, the Wilson Future Homemakers have participated in many activities this year. The list includes such events as a Harvest Dance, a Sweetheart Dance, a Mother-Daughter Banquet, a Daddy Date Night, a teachers breakfast and National FHA week.

As future homemakers, we endeavor to promote good home, family, and community life, to further interest in home economics, and to provide international good will.

The FFA is an intra-curricular activity having its origin in a definite part of school curriculum, Vocational Agriculture. The primary aim of the FFA is the development of agricultural leadership, cooperation and citizenship. The organization hopes to instill in every member a desire to perform more efficient agricultural practices, to contribute to the betterment of a local community and to live a more satisfying farm home life.

Among other things, members learn through active participation how to conduct and take part in a public meeting, to speak in public, to buy and sell cooperatively, to solve their own problems, and to assume civic responsibility. Four boys from the local chapter earned the honor of representing the state at the National convention, held at Kansas City, Missouri, this past fall. Representing the state in the national livestock judging contest and the national meats judging contest were: Steve Wampler, Michael T. Boggs, and Larry Cullen. Daniel Holsinger, winner of the state tractor driving contest, also attended the convention, although there is no national tractor driving contest.

PRESIDENT	Joe Wingard
VICE PRESIDENT	Buddy Bosserman
SECRETARY	Robbie Driver
TREASURER	Ann Stewart

Wilson's Pep Club plays a vital role in promoting school spirit and encouraging good sportsmanship through posters, pep rallies, and activities.

This year the club sponsored the school's first Homecoming. During halftime ceremonies at the Wilson vs. Alleghany game, Miss Robbie Driver was crowned Homecoming queen by Principal, Earl Savage. The following night, Robbie reigned as queen at the Homecoming dance.

Pep club initiation was a highlight of the year. New members, the girls in overalls with suspenders and the boys in short skirts, carried buckets filled with candy to their teachers. During the day they carried books, sang songs, and crawled down corridors at the request of the old members.

This year's membership is greater than ever before in the history of the school.

Miss Doris Dameron has done a fine job with this group. We extend many thanks to her as a sponsor.

Chess Club...

Students who find an intellectual challenge stimulating participate in the Chess Club after school hours. They learn the fundamental of the game and have a chance to try out professional methods of play. Many of them enjoy perfecting their strategy away from school, on unsuspecting friends.

Civic Club...

The purpose of the Civic Club, which was formed early this year, is to promote school pride and better relations between the school and community. The club's first project was "Letters to Vietnam". Over two hundred letters and Christmas cards were sent by Wilson students to men in Vietnam.

Two money making projects, Cave Day and a dart throw, were also sponsored by the Civic Club, with proceeds going to the Heart Fund.

¿Habla usted español? In English this means "Do you speak Spanish?" If you don't, you should.

On the first Friday of each month the Spanish Club meets in the Conference Room under the sponsorship of Miss Doriss Dameron.

The club's primary goal is to increase interest in the Spanish language, as well as in the Spanish-speaking countries.

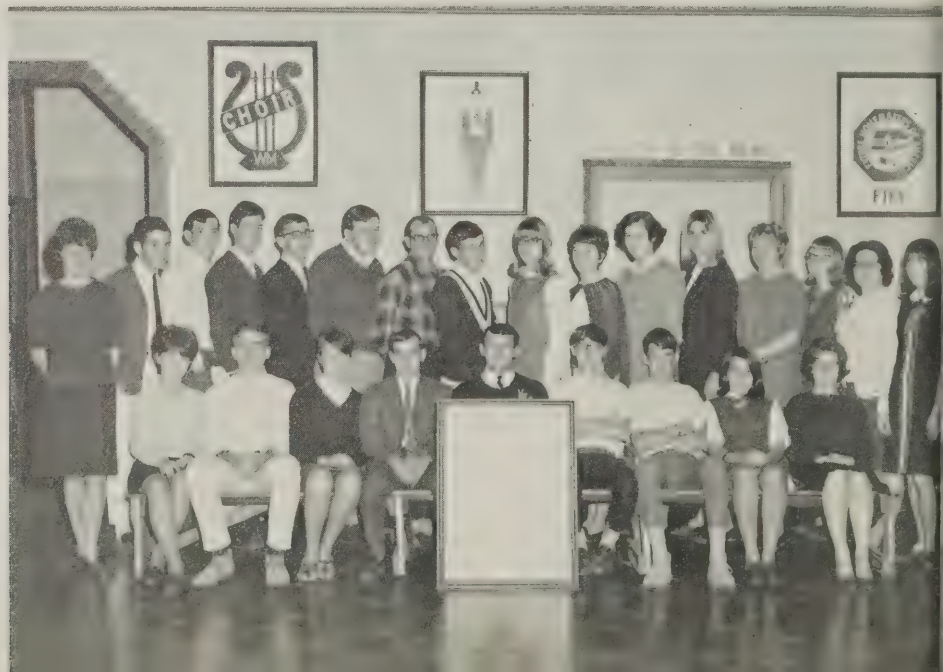

All new members were required to dress as Spanish señoritas and señores for initiation.

Mr. Naylor has attended two meetings of the Spanish Club, and his visits were most enjoyable. He showed films on Santo Domingo and the Dominican Republic.

The Spanish Club members were guests of the Latin Club during April.

The Wilson Memorial Safety Club is a vital part of our school. The members of the club strive to make our trips to and from school as safely as possible. Since the majority of the bus drivers and patrols are from Wilson they hold various meetings throughout the year to discuss problems and new ideas. During their meetings they have guest speakers from state departments and local safety

organizatons that show safety films and give interesting talks.

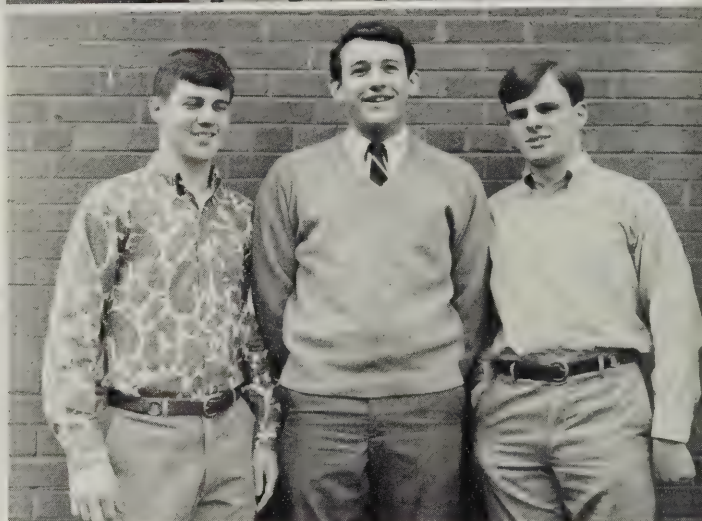

This year there are 1300 students transported by buses. With this number of students there is a need for a worthy sponsor which is Mr. Martin Cline. Due to Mr. Cline's advice and the service of experienced drivers, the routine trips are carried out as safely as possible.

Prose

Whether portraying Queen Mary Stuart, a little newsboy, or a young wife at her first baseball game, prose readers can provoke tears or laughter.

The readers are judged on suitability of selection and delivery including: tonal quality, pitch, facial expression, stance, and eye contact.

Beverly Harold, Sherry Spaulding, Linda Rye, Barbara Meek, Phyllis Hogshead, Sandy Fitzgerald, Steve Yancey, Billy Campbell, Buddy Bosserman, Stephen Sparks, Glenn Deacon, and Clinton Nicely compose this year's prose reading teams. Sponsors are Mrs. Spitzer and Miss Jones.

Public Speaking

"What is the root of all evil?" A member of our public speaking team might tackle this question and convincingly tell you that it is taking Senior English!

Linda Kite, Barbara Elkins, Joyce Phillips, Sara Morris, Page Hamilton, Betsy Copper, Jack Copper, Gary Walter, Homer Williams, Ronnie Pulley, David Pettit, and Albert Hite compose our public speaking teams. Sponsors are Mr. Furr, Mr. Hamilton, and Mrs. East.

Poetry

How do I love thee? Let me count the ways.

How could any judge fail to be moved by these stirring words? However, words aren't enough. Intelligibility, emotional response, and delivery are the essential qualities by which poetry readers are judged.

Elise Fitzgerald, Pat Gill, Donna Holmes, Susan Bauserman, Peggy Oleska, Debbie Perry, James Burton, Brenton Campbell, Clay Fauber, Edward Furrow, David Gilbert, and Ralph Thomas compose this year's poetry reading teams. Mrs. Richardson and Mr. Hairfield are sponsors.

Spelling

Supercalifragilisticexpialidocious!? s-u-p-e-r
... Forget it!

But not if you're on the spelling team!

Karen Puffenbarger, Jean Harris, Sherry Fraser, Vivian Mongold, Andy Corell, and Darryl Kislek represent Wilson in spelling competition. Mr. Powell is the sponsor.

One Act Play...

Wilson's entry in the District 5 One-Act Play Festival was *THE VALIANT* by Holworthy Hall and Robert Middlemass.

THE VALIANT is the story of the final minutes in the life of a condemned murderer.

The cast of the play was as follows:

Warden Holt	Skeeter Barnes
Father Daly	Don Merrill
James Dyke	Gary Walters
Josephine Paris	Elise Fitzgerald
Dan	Bob Grove
An Attendant	Danny Toman

Debate Club

A debate is an organized argument between two opposing teams during which each team attempts to convince a third party or parties that its side of the proposition has more intrinsic merit than the other side. It is organized in the sense that each team must proceed within limitations of time and a set procedure. A debate is not verbal free-for-all. The arguments for both sides are carefully developed and, for the most part, preplanned.

This year the Wilson Debate Club debated the proposition, Resolved: That U. S. Aid Be Limited To Non-Military Assistance.

Wilson's Debate Club was host for the District 5 Debate Tournament.

"Greensleeves" . . .

The school paper, "Greensleeves," was produced by Mrs. Hazel Spitzer's Creative English class.

Although class members had many other activities, they managed to publish at least one edition a month.

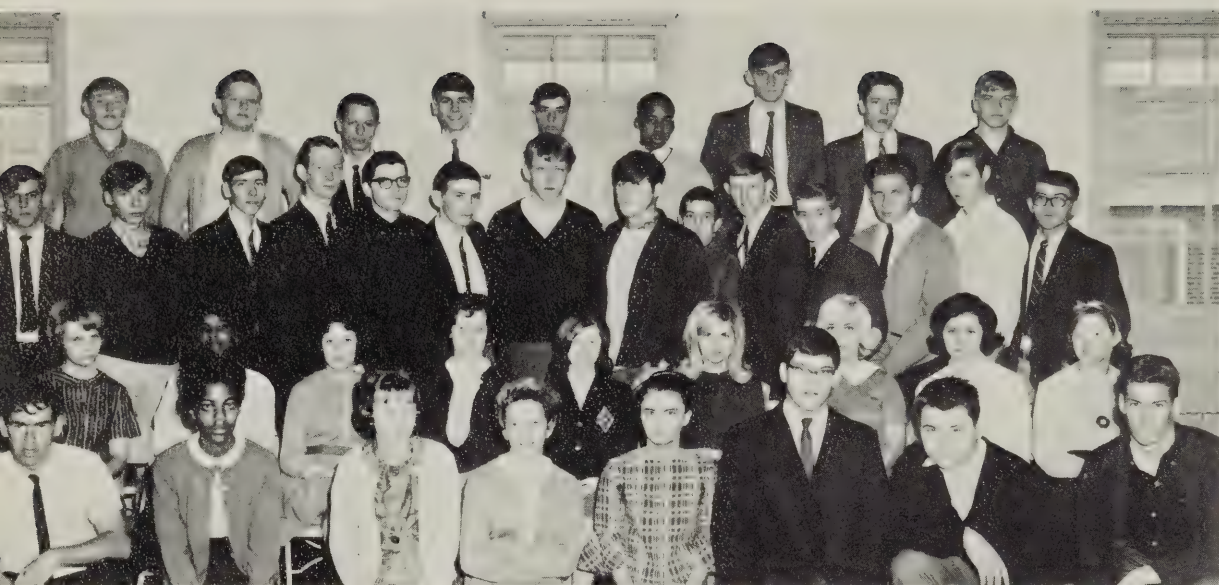

The newspaper included such items as club announcements, sports news, feature articles on outstanding people, current school events and articles of special interest.

The entire class participated well in the effort to produce an interesting school paper.

Guidance Department...

An integral part of Wilson's educational program, our guidance department, seeks to help the student discover what he is and what he can be. It assists him in developing a realistic concept of the world he faces.

Through helping the student set attainable goals, it helps him to improve his academic work and pursue the best course for his life's task.

Counselors for this year were:

Mrs. Mildred S. Black Head of Dept.
Mrs. Virginia Q. Crute
Mrs. Claudyne R. Palmer
Mr. Jessie B. Hamilton, Jr.
Miss Ramona B. Johnson
Mrs. Aurelia E. Huggard
Mr. Martin L. Cline

Library Serves Students...

If you're looking for lots and lots of good books, then you've come to the right place: Wilson's growing library. To take your mind off of homework and upcoming exams there are plenty of adventure stories, romantic novels or even classics for those who are more intellectually inclined.

Mrs. Frances Flora, our new librarian, is aided this year by 12 student helpers. Through the efforts of these people the library provides a relaxing, yet studious atmosphere.

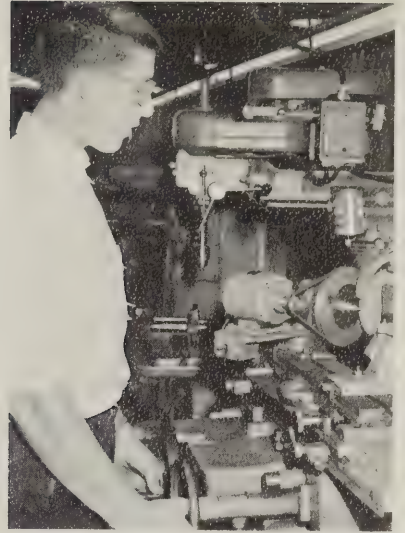

So come on over to the library, sit back, put your feet up, read a good book!!

Practical Nursing...

The Wilson Memorial School of Practical Nursing is sponsored jointly by the Augusta County School Board and King's Daughters Hospital. This course is open to Augusta County students as well as post graduates and adults.

At the present time there are eighteen girls and women, as well as one young man enrolled in the class. They will complete this school year with their pre-clinical training at Wilson. During the summer they will begin eight months of training at King's Daughters Hospital. All students are qualified to practice in the State of Virginia following their graduation. The students are under the supervision of Mrs. G. G. Hildebrand.

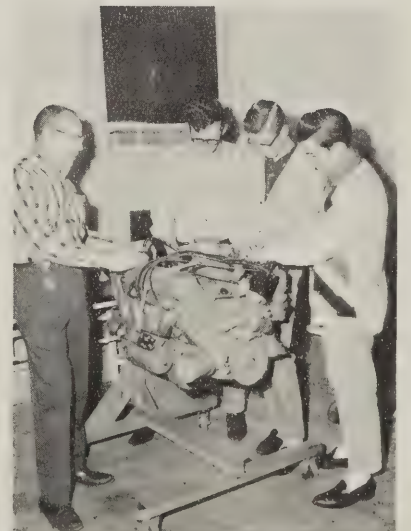

Tech School...

Have you ever wondered how some of those junior and senior girls keep those glamorous hair-styles? Their secret is Cosmetology Class at Valley Vocational Technical School. These girls are getting a head start in their careers.

Who is going to keep the wheels (auto) of tomorrow running? We can bet that it will be some of the boys enrolled in Mechanics and Automobile Body Repair and Refinishing at Tech.

Other courses offered are Secretarial, Drafting, Electronics and Machine Shop. All of these courses are designed to help the junior and senior students who want to get a head start in their vocations.

Senior Play . . .

The presentation of "Best Foot Forward", a comedy by John Cecil Holm, was one of the highlights of our senior year. After hours of diligent work by the cast and committees, the play was successfully given on December tenth and eleventh. The plot centered around the dilemma of a Wilsocki Prep boy when his two dates, one a glamorous movie star and the other his home-town girl, arrived for the prom.

Painting scenes, the mad attempts at doing homework backstage, missing lines, and applying gobs of make-up were climaxed by our feeling of achievement when the first laughter and applause sounded from the audience.

Prom . . .

This year the Junior-Senior Prom of Wilson Memorial High School was held on May 20, 1967, between the hours of eight and eleven p.m., at the Holiday Inn in Staunton, much to the delight of all concerned.

This is the first year that any school function of this type has been held outside of the school.

This year's prom theme was "In An English Country Garden," and therefore the ballroom of the Holiday Inn was decorated in the manner of the formal English garden.

Around the walls of the room and placed at intervals were white ceiling-high pilasters or columns. Centered along each wall were niches, simulating arbors, in which were placed pieces of statuary. One of these niches contained a swing in which pictures of those attending the prom were taken. But the crowning touch of the decorations was a full-sized, three-tiered fountain with running water which was installed in the center of the room.

The decorations were prepared by the Decoration Committee under the supervision of Miss Dana Fox.

S.C.A. Christmas Dance

The S.C.A. Christmas Dance was held December 21st in the gym. The theme, "Winter Wonderland," was carried out in red, white, and silver decorations. The stage was adorned with silver Christmas trees, and on the curtains were the words "Winter Wonderland" written in silver. Silver stars hung from the ceiling to give the effect of a midwinter night. The walls were draped in white cloth sprinkled with stars and snowflakes.

Refreshments were served in front of the stage on an organdy covered table.

Music was provided by the "Impalas." Mrs. Richardson of our English department was the sponsor of this dance.

For the first time in the history of the school, the S.C.A. made a profit on this dance.

On the weekend of October 28-29, Wilson celebrated its first Homecoming in the history of the school. During half-time ceremonies at the Wilson vs Alleghaney football game, Mr. Savage crowned Miss Robbie Driver Wilson's first Homecoming Queen. Her escort, Mr. John Mowry, was king of the event.

The Homecoming Dance, held the following night in the gymnasium, was put into full swing by the music of the "Impalas," a local combo. The Pep Club termed the event as a complete success and a great time was had by all who attended.

Homecoming . . .

Harvest Dance . . .

The FHA sponsored a "girl-ask-boy" dance in November.

A horn of plenty decorated the stage to emphasize the theme "Harvest Dance". Green, orange, and brown crepe paper covered the ceiling and walls. Cookies and punch were served from a table on the far side of the gym.

The "Secrets" from Staunton provided the music.

Thoughts From a Senior...

Wilson Memorial is a high school. Though the facilities are in poor repair, I have been happy here. Several of my classmates are bitter about our buildings, but I am glad that I have had the experience of studying in such a plant. I feel that Wilson's environment is a result of the fine atmosphere of friendship here. We are a family of humans all working to the same end, the education of ourselves and our associates.

A high school is students, but we Seniors would have become nothing without the molding influence of our many teachers. All of them have been essential to our learning—many have instructed us, a few have inspired us. We are grateful to the first group, thankful for the second.

We Seniors have watched the student body grow, but are sorrowful that the Hornet spirit has not increased proportionately. Though many of us cheered to the top of our lungs, something was left to be desired at the games of our Senior year.

I feel sorry at the prospect of leaving Wilson, but realize that all the elements of this wonderful school have served to prepare me for what lies ahead.

Classes

Now that those first frustrating days of frantically trying to find our classes are over, we of this new generation of eighth graders can look back and laugh over it.

Students from all over the eastern part of this county have gathered to form the "Class of '71."

The officers our class elected are as follows: president, Porter Stewart; vice president, Vernon Kindig; secretary, Lisa Hanger; treas-

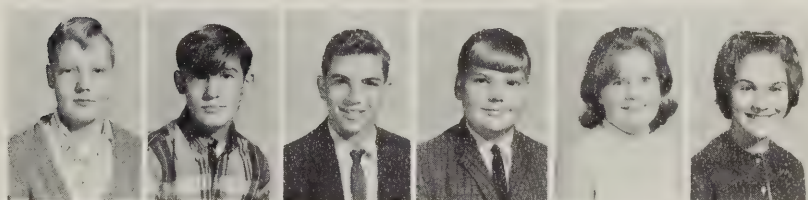

urer, Sharon Gochenour; and reporter, Alan Klein.

Many of us represent Wilson in the band, on team sports, and are members of the various clubs which are available in our school.

We know that we must attend our classes in old classrooms with poor lighting and other deficient facilities, but we also know that we are proud of Wilson and its fine traditions. We look forward to our next four years here.

Freshman Class...

A year ago, when we were eighth graders, we were at first very confused and mystified by the Wilson way of life.

We didn't know A corridor from C and couldn't find our classes. We didn't know how to run to lunch and how to gobble our food in order to beat the bell. We didn't know of Wilson shortcuts through classes and roads and we usually came to class a few minutes late. But after a while we learned our way around and began to feel proud of belonging to such a unique school.

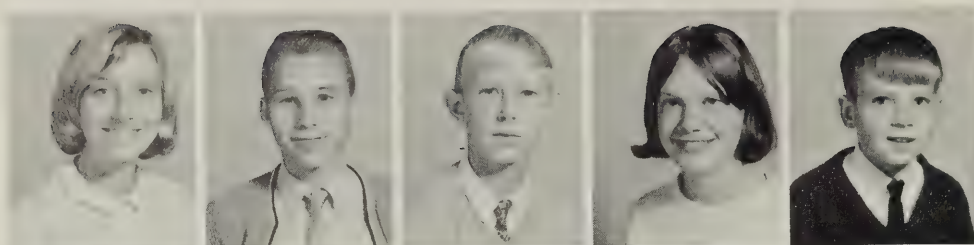

This year, as Freshmen, we feel that we really belong to Wilson and want to do our

part in making it a great school.

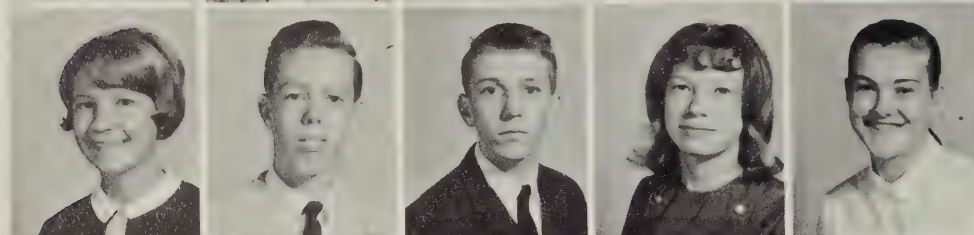

Many of us have joined various clubs and have gone through the ridiculous initiations. Also, many of us have joined the sports, such as Intramurals and J.V. football and basketball.

We are proud to be members of the Freshman class and are proud to belong to Wilson. We are all looking forward to our future years as upperclassmen.

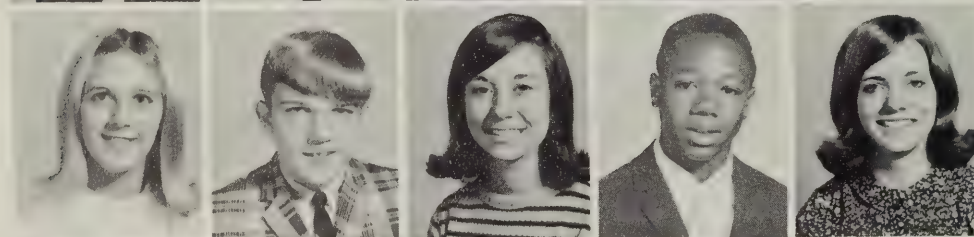

Our Freshman class officers are President, Treva Arehart; Vice President, Peggy Hull; Secretary, Steve Troxell; Treasurer, R. E. Sheets; and Reporter, Becky Wampler.

Sophomore Class . . .

This year as Sophomores, we feel that we have come a long way since our early eighth grade days, but we realize we still have a longer and harder road yet to travel.

We have chosen very capable and hard-working leaders to represent our class this year. They are: president, Sandy Keiser; vice-president, Henry Rodgers; secretary, Barbara McGrath; treasurer, Beverly Harold; and reporter, Becky Bibb. All of us, however, share the responsibility of making ours a strong and outstanding Sophomore class.

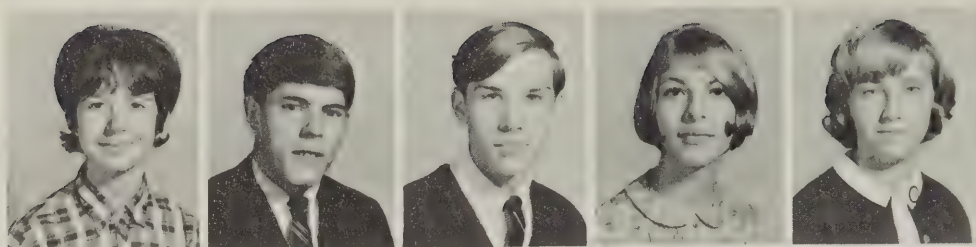

Plans for the Junior-Senior Prom next year

are in the making. As the Junior class of 1967-'68, we plan to undertake several money-making projects. This year we sold booster buttons which proved to be a very profitable project.

Many of us this second semester were invited to join the National Honor Society of which we are proud to be members.

As students we are looking forward to our coming years at Wilson Memorial. If we retain our enthusiasm, we can expect to have one of the best Senior classes in Wilson history.

Junior Class . . .

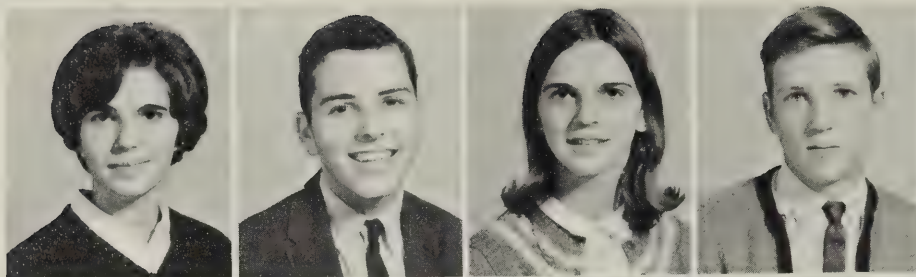

We, the Junior Class of 1966-'67, had an exciting and memorable year.

Each year our ties as a class have become stronger, and now with just one more year to go, we have really made ourselves a family in the very fullest sense of the word.

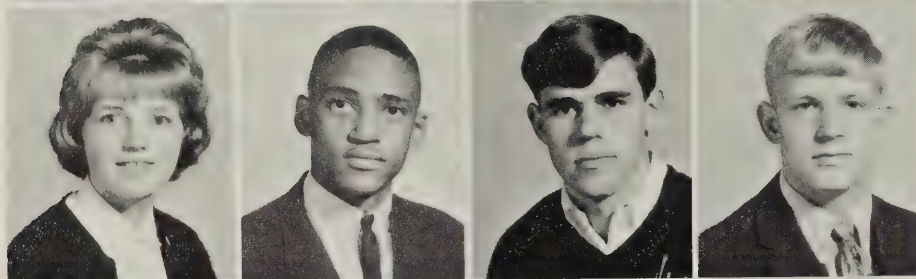

"Prom" and "Junior Class" are two words which are inseparable. Our theme, which was "English Country Garden," proved to be as quaint and charming as its name implies. We certainly hope the Seniors enjoyed their Prom as much as we did giving it.

Many members of the class put forth a great deal of time and effort for this endeavor in collaboration with the class officers: president, Buddy Bosserman; vice-president, Ann G. Stewart; secretary, Terry Houff; treasurer, Carter Moffett; and reporter, Danny Southard. Much of the credit for the success of the prom goes to Ben Critzer, the Prom chairman.

Although the 1966-'67 school term has been much too short, we are all anxiously awaiting next year when we assume the responsibility of being full-fledged Seniors!

Senior Class

The time has come for us, the members of the Senior Class, to turn over another page in our lives, for graduation is near. As we depart from the "hallowed halls of ivy" to go our separate ways, we shall always remember the friends we have made and the good times we have shared.

We began our climb up the ladder of high school success five years ago. Our first three years were exciting and challenging. As we conformed to Wilson's rules, made new friends, and formed new ideas, each day was a new experience filled with excitement and some few heartaches.

English, biology, algebra, geometry, and a foreign language presented many headaches to us. Even though at times the climb became rough and almost impossible, we became Juniors.

Our Junior year—and only one more class above us! That year was filled with the excitement of the prom. And what a prom we planned! We were the first to transform Wilson's gym into a Venetian water-way. The many hours of hard work drew us closer together. Even more exciting was the day we ordered our Class Rings. We were beginning to feel like Seniors.

Yes, we were at the top of that ladder, we were Seniors at last. Our year on that top rung passed all too quickly. We were busy with the play, college applications, and the constant effort to keep our grades up so we could graduate. For the fifth year we struggled through English, knowing that without it graduation would be impossible.

Now our climb has come to an end, and we shall find ourselves upon graduation, at the beginning of another new life. We have watched many graduations in the last few years, but none of these can mean what ours will mean to us. Yes, five years have passed, but the memory of these years will never fade or end. As graduates, we go our separate ways, but what we do in the future, whether it be tomorrow or a thousand tomorrows, will be a result of these five years at Wilson.

LORD AND LADY

Mr. Joe Wingard and Miss Robbie Driver well represent the Senior Class of 1967. They are talented and well-liked at Wilson. Both take an active part in Wilson's activities.

MOST LIKELY TO SUCCEED

Hard work and determination . . . A great deal of skill has assisted Webb Lutz and Phyllis Hogshhead on their climb to the position of "Most Likely to Succeed." Both are dependable and always willing to help others; we are proud to have them as members of the Senior Class.

Senior Hall

MOST SCHOOL SPIRITED

Billy Campbell and Beverley Wade were selected by the Senior Class to personify school spirit. They were chosen because of their ability to lead, participate in, and to devote themselves to Wilson's activities.

CUTEST

Cute is just one of the many words used to describe Steve Wampler and Donna Holmes. Attractive people always draw a crowd with their smiles and they are fun to be around.

CLASS CLOWNS

Many times in the past five years, Jack Copper and Barbara Elkins barely escaped trips to the office. Their hearty laughter fills Wilson's halls from 8:50 until 3:30.

FRIENDLIEST

Always smiling, waving, and happily greeting others are John Mowry and Delores Mawyer. Their cheerful personalities seem to add a glow to Wilson's corridors. "Where there is true friendship, one needs no more."

BIGGEST FLIRTS

The Senior Class chose Susan Coyner and Larry Cox as the biggest flirts. Whether going to first period or sixth period, they may be seen snuggling up to a fellow student. We hear this title was well deserved!

Sports

Humor and imagination are not lacking among the cheerleaders as demonstrated by this pose. These poses, on and off the field of play, illustrate the school spirit of the cheerleaders and the school in general.

Cheerleaders...

The cheerleaders at Wilson this year did more than the name "cheerleader" implies. Of course, the team's main inspiration comes from the cheers during the game, but they did more than cheer during games. They congratulated the team members after disappointment and success. In a real sense just being at the game boosted the team's spirit and will to win.

Varsity Football...

The theme for the entire Hornet's Nest as well as the Sports Section is "...on the go." The boys were constantly "on the go" from the first hot days of summer practice until the jerseys were packed away in the late fall.

Capturing third place in the district showed much determination and hard work on the part of the young Hornet team. We, the students of Wilson Memorial, would like to say a great big thanks to all the members of the Varsity Team for a great season.

Senior Wins Scholarship...

This season Joe Wingard received a scholarship to the University of South Carolina. He was born in South Carolina, transferred to several different schools and came to Wilson as a sophomore. Joe has brought honor to Wilson because of his outstanding football, track, and basketball achievements.

Confidence and stability have claimed first team all-state honors as well as third place in district scoring for Joe.

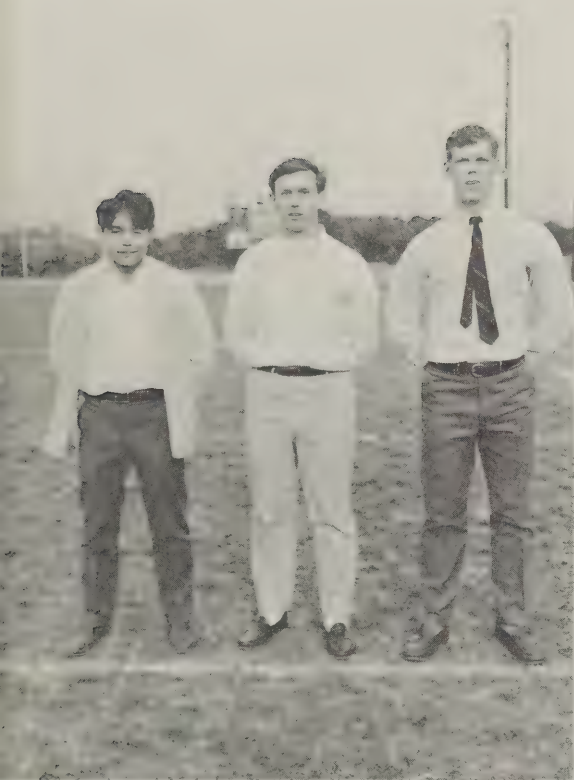

Joe was scouted as a freshman and this year has received many opportunities to play college football. Our best wishes go with Joe for his future at the University of South Carolina.

Seniors in Football...

Each year the seniors make up a vital part of the gridiron play. Their experience and reliability have helped to create unity and strength among their team mates. The Green Hornets say thanks and best wishes in the future.

State and District Honors...

Wilson was represented by three boys, two seniors and a sophomore, on the state and district levels. These three boys include Albert Hite, a second team all-district guard; Prentice Ralston, a tackle and honorable mention in the district; and Joe Wingard, first team all-district and first team all-state.

Building a Football Future...

As indicated by our statistics of the Junior Varsity Football team in comparison to other teams in the district, we at Wilson Memorial have a great deal to look forward to in the future.

We boys on the squad worked hard, played fairly, and won. The team has fine balance on defense and offense. Special credit goes to Neil Cash for being the leading ground gainer and spearheading the attack.

Salute to Coaches...

We at Wilson consider our coaches the best in the district and certainly this title has been well earned. They have instructed and encouraged our team on to their high district ranks.

All the head coaches are quite new at the job this year. We acquired them from other schools and from last year's coaching staff. The students and players would like to pay tribute to our fine coaches for a "job well done."

Green Hornets on the go...

Our Varsity Basketball Team secured a second place in the district. This is the second consecutive year that Wilson has received this rank. This is the result of much determination and hard playing for which the boys deserve a lot of credit.

As well as ranking high in District 5, our boys also did well in the Valley District games. This was demonstrated in the final game of the tournament which was "neck and neck" until the final disappointing quarter.

Girls' Tennis

The Varsity Tennis Team was probably one of the hardest working athletic teams at Wilson. In this case the number of games won does not give a true picture of the team's skill. Several of the matches were very close and it was often necessary to go into three sets. Some of the outstanding members of the Varsity Team were: Fonda Campbell and Judy Shifflett, with three wins as doubles; Sharon Crawford and Margaret Doughtry, with two wins as doubles. The girls playing singles were: Patty Pitzer, Beverley Wade, and Doris Bibb.

The Junior Varsity team was composed of eighth and ninth graders. These girls did not participate in any of the matches but were a vital part of the team. The future appears bright for Wilson's Varsity Tennis team.

Girls Basketball . . .

This year the girls' basketball was divided into four teams, each consisting of a varsity and junior varsity. The teams were captained by Dahle York, Ann Stewart, Brenda Boliek, and Martha Thompson. Although the girls do not compete with other schools, they have enjoyed competing among themselves.

The girls' track team did extremely well at the 1966 District Track Meet.

The four top scorers were Judy Driver with 13 $\frac{1}{4}$ points, Anne Spieker with 12 $\frac{1}{4}$, Carter Moffett with 8 $\frac{1}{4}$, and Martha Thompson with 7 $\frac{1}{4}$.

Recognition goes to all the girls on the track team for bringing this honor to Wilson.

Our memories of Wilson are golden to be treasured throughout our lives. Remember your first terrifying day in the eighth grade and finally the pride of being a Senior. Those dreadful exams, as well as exciting sport's events, can all be looked back upon with laughter as a small part of our exciting high school years. Certainly, each of us will forever have a special place in our hearts for our memories of Wilson.

On The Go...

Wilson will be forever on the go as long as her halls and classrooms are filled with gay laughing students and friendly smiling teachers. Every member of the student body has experienced the constant whirlwind of Wilson's activities.

Whether her students are bustling, hustling eighth graders or college-bound seniors, all were continually on the go!

The ninth graders were proud of not being "low man on the totem pole." Sophomores sold booster buttons and rallied our school spirit. The juniors were busy going here, there, and everywhere, planning the prom.

The class of 1967 spent many a sleepless night worrying about graduation.

As the year passed, it seemed that much of our time was spent taking standardized tests. 1966-67 was a year of firsts for Wilson.

In October the Pep Club sponsored our first homecoming, and December was the month for the first profit-making Christmas Dance.

Wilson was on the go in sports and academic work. The forensic team and one-act play caused the school to swell with pride.

What ever the weather, Wilson students were on the go. When snow packed the ground, the students packed the halls. Everywhere noses were pressed against windows, and rumors spread like wild fire that school would close early.

The time has come for the class of '67 to leave Wilson, yet there is another class waiting to take its place. So goes the continuous cycle, still the memories of the year will linger forever. Every class is different, each facing different problems and finding different solutions. As long as there is a Wilson, it will remain on the go.

We, the Hornet's Nest Staff, present to you this book of "Wilson on the go."
